Fournies, Managing employees in today's rapidly evolving workplace can sometimes feel like negotiating a minefield. Such recent new trends as flextime, telecommuting, 360-degree feedback, the flattening of hierarchies, and the increased use of temps and contract workers present tough new challenges for supervisors in every field. This timely, completely revised and updated edition of Ferdinand Fournies's classic management coaching "bible" shows you proven ways to get workers to perform at the highest level while eliminating the self-destructive kinds of behaviors that have become increasingly prevalent in recent years. In this book, you'll be taught specific face-to-face interventions you can use to enhance performance in every kind of workplace situation--from sales to creative brainstorming.
