WW Norton & Co. Hardback. Book Condition: new. BRAND NEW, Contemplative Psychotherapy Essentials: Enriching Your Practice with Buddhist Psychology, Karen Kissel Wegela, Both Western psychotherapy and the Buddhist spiritual path are journeys toward increased self-awareness, understanding, and well-being. By drawing on the Buddhist psychological teachings, Contemplative Psychotherapy provides a deeper, richer approach to client work, one that can greatly enhance and expand a clinician's therapeutic repertoire. Having a personal mindfulness-awareness practice helps therapists to develop these competencies, and this book offers a step-by-step description of how to establish such a practice. The book explores the nuances of contemplative therapy practice, beginning with creating genuine therapeutic relationships and learning how to recognize "brilliant sanity"-not only psychopathology-in our clients, and goes on to consider sowing the seeds of mindfulness, making skillful use of mindlessness practices, investigating emotions, cultivating compassion, and working with anger. Filled with client vignettes and practical guidance in an eminently wise, openhearted tone, Contemplative Psychotherapy Essentials makes the increasingly popular pairing of Buddhist psychology...
