Brand New Book ***** Print on Demand *****.Excerpt from *Bibliography of Texas: Being a Descriptive List of Books, Pamphlets, and Documents Relating to Texas in Print and Manuscript Since 1536, Including a Complete Collation of the Laws; With an Introductory Essay on the Materials of Early Texan History* Texas, included in Spanish Florida, was one of the earliest discovered and explored of the territories now constituting the United States. But without metallic treasures to tempt Spanish cupidity, and unknown to the colonizing nations on the North Atlantic, this region long remained unsettled. By mistake a company of Frenchmen under La Salle landed in 1685 on the Texan coast, and made a settlement, which four years later perished in blood. Next, moved by jealousy, came the Spaniards and occupied Texas by a system of presidios and missions till the triumph of the Mexican Revolution in 1821. Nothing remained of the efforts of France at colonizing Texas save the shadowy memory of a few great names like La Salle, St. Denis, and La Harpe. The chief impress of Spain upon Texas was in geographical names; and besides these, there was at the end of Spanish rule only feeble settlements around the presidios, and a few stately mission ruins to tell the story of the unavailing labors of the Franciscans. Retrogression had long set in before the coming of the Anglo-American. Austin's Original Three Hundred were the first to inaugurate permanent settlement. The descendants of the home-builders on the Atlantic and in the Mississippi valley were the first home-seekers in Texas. And it was they who builded and compacted the Republic of Texas, developing into orderly communities and uniting for defense against the encroachments of tyranny....
