Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1881 Excerpt: . develop the sub-classes of the parts of speech; finish the parts of speech and their modifications; analysis and parsing; peculiar and idiomatic expressions discussed; work in grammatical figures; conversation led by teacher, in which language used by pupils is carefully noticed; composition. The best grammarians are those who use the best constructions, not those who can give most glibly the rules for these constructions. While I have little sympathy for extremists who seek to expel grammar from our elementary schools, I have none for those who adhere to the old profitless methods of merely teaching technical grammar. The subject must be developed from the standpoint of language. Practice must lead up to principles. BEAUTY WORLD. Penmanship And Drawing (alternate Daily Lessons).--Suitable copy-books; suitable drawing-books. Draw from geometrical solids and from objects in nature; some principles of light and shade; designs applicable to useful purposes; art criticism. Writing and drawing are so valuable, practically and educationally, that they are combined throughout the course. Pupils will become better writers by taking drawing on alternate days. Drawing is no more difficult to teach or learn than penmanship. Drawing, says President Pickard, in its industrial phase, is a chief agent in hand-culture. Its importance will be more and more felt as manual skill becomes more imperatively the demand of the times. Juvenile Literature (Weekly Lessons).--With a suitable book, direction may be given to the pupils present and future course of reading. Nothing can be more important. Vocal Musio...
