Nietzsche for Beginners

By Marc Sautet

For Beginners, United States, 2007. Paperback. Book Condition: New. Patrick Boussignac (illustrator). Reprint. 226 x 152 mm. Language: English . Brand New Book. The unorthodox life and ideas of Friedrich Nietzsche come alive in this documentary history. Here is a clear picture of the time in which this revolutionary philosopher lived and worked. We meet the luminaries of the age: Richard Wagner, Bismark, Freud and Darwin. We learn of Nietzsche's famous love affairs, his theories of the Superman, the Antichrist and nihilism, as well as his impact on Twentieth Century thinking. And we see how the Nazi's annexed and deformed Nietzsche's thought to serve their purposes. Nietzsche For Beginners is an important introduction to modern philosophy. Plato, Kant, Hegel and Schopenhaur are all evaluated in light of their influence on Nietzsche's work. Discover why this great thinker defiantly declared, God is Dead.
