Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. When you re down on the farm, things are bound to get dirty! Joe Remke has just one qualification for his lovers: he wants them gone before sunrise, which makes his new bunkmate, AJ, about as safe as a woman can be around him. It also makes his determination to sleep with his boss downright stupid because if Brent ever gives in, he ll be looking for a new job. Ladies man Brent Andersen knows sex with his right-hand man Joe is inevitable, but he s not going down without a fight. Putting the new female hired hand in their cramped RV was a stroke of genius, taking the heat off him while protecting her from the horny guys on his custom farming crew. AJ Pender s hard-bodied roomies may hide their feelings for each other from the rest of the crew, but they aren t fooling herBrent and Joe are hot for each other, and it s all she can do not to cry at the thought. If they ever found out she fantasizes about being the meat in their farmer sandwich, they d probably die laughing. Fortunately for Brent and Joe, fantasies have a way of revealing themselves, and AJ s are right up their alley. But even threesomes have their risks, and AJ can serve as a buffer for only so long before the tension between them explodes. Warning: Flying BOBs aheadand that s just the warm-up! Strap yourself in for a wild ride complete with menage, m/m, and a voyeuristic f/f scene hot enough to make three grown men beg for mercy.
