Lulu.com, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Elderly man, George Smith, knew what he was .Bored. With nothing better to do than annoy his son and daughter-in-law, he would seek solace in his local pub several times a week. The group of six regular pensioners, who gather together with George on those occasions, were in the same low mood. That is, until an idea struck them. Allotments! Recalling their previous experiences, it sounded oh so enjoyable, but that was many years ago and they had all changed a great deal since then. There had been no such thing in the area for fifteen years, and the Council had no plans to change that. With the help of his son and friends, George set about confronting the authorities. Are they up to the challenge? And is it as simple as they thought? Follow them as they fight for the right to enjoy a recreational garden in this, the fifth Book from Graham C Jones.
