 Social Policy And Human Development In Zambia discusses social policy and human development endeavours in Zambia, including the various societal forces that converged on the country in both the pre-colonial and colonial periods and which later influenced post-colonial social policy initiatives. The pre-colonial era epitomised indigenous forms of social protection that safeguarded the well-being of Africans. Colonial rule, which was foreign in orientation, was geared towards meeting the needs of a small European settler population through social policy programmes. Most of the discussions in the book unfold in the setting of a post-colonial society. The central thesis of the book is that social policy and human development in Zambia are inextricably bound up with the political and economic forces in the country and that they constantly reinforce each other. Politics is taken as an important variable that legitimises the role of politicians and policy-makers in determining the development path of the country. Thus, their efficacy, lack of depth or ineptitude will be translated into the way public policies, including social policy, are formulated and...
