AUTHORHOUSE, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: French. Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*\*. Quand le soleil disparait a l horizon, c est une issue fatale. Notre univers est ainsi de fatalites rassurantes: l herbe pousse, les feuilles tombent, la mer s evapore et les nuages crevent. Nous ne pouvons imaginer qu il en soit autrement. De la, une tentation evidente: etendre a l homme ce qui appartient a l univers. Comment pourrions-nous etre libres alors que nous ne sommes qu une poussiere fondue dans l infini? Dieu qui voit tout, avant, pendant et apres, a forcement trace chacun de nos chemins. Il faut, a cet endroit du raisonnement, savoir ou se placer: sur Sirius ou dans notre tete. Vue de l infini, notre vie ne represente qu une microseconde. Il est donc impossible d y introduire la moindre pensee et la moindre liberte, d ou la fatalite. Mais du point de vue de notre raison, la passion est la seule a pouvoir annihiler notre libre arbitre. Seule la passion peut etre fatale et envahir un individu a tel point qu il sera possible de connaitre par avance l issue de son parcours. Et des l instant ou la fatalite guide la vie, elle devient funeste. La femme fatale perd les hommes, l erreur fatale provoque la mort, l heure fatale sonne la violence du dernier instant. La vie a pour moteur essentiel une passion. Celle-ci peut etre sordide, onirique, religieuse, secrete ou orgueilleuse. Elle est, par definition, toujours fatale. Il est tres angoissant d assister a l inexorable mais, nous y sommes tous condamne.
